PRESENTS

THE WEALTHGEN
SERIES EPISODE 01

The House of Abhinandan Lodha launched the inaugural version of our New Generation Land™ WealthGen Series – a series of forums, where Titans of business in India come together to discuss and ideate the topics of Wealth Creation and Category Creation.

This occasion was graced by none other than Radhika Gupta – CEO of Edelweiss Asset Management Limited. She is the only female head of a Major Asset Management company and the youngest CEO of a large Financial Services firm in India. She is also an established writer, public influencer, and a TEDx and Josh-Talks speaker.

She gave us insights from her experience in category creation, wealth generation and financial investing to discuss how intergenerational wealth can be created through New Generation Land™.
